ASHES OF THE WOOD

PRE-PROD

SYNOPSIS

Une rebelle va tenter de mettre fin au règne d'un Tyran abusant de sa souveraineté pour taxer les habitants aux alentours du royaume.

NOTE D'INTENTION

DIRECTION ARTISTIQUE

L'histoire prend part dans un futur inspiré de l'univers Star Wars, les très riches vivent dans les grandes villes tandis que les pauvres vivent difficilement.

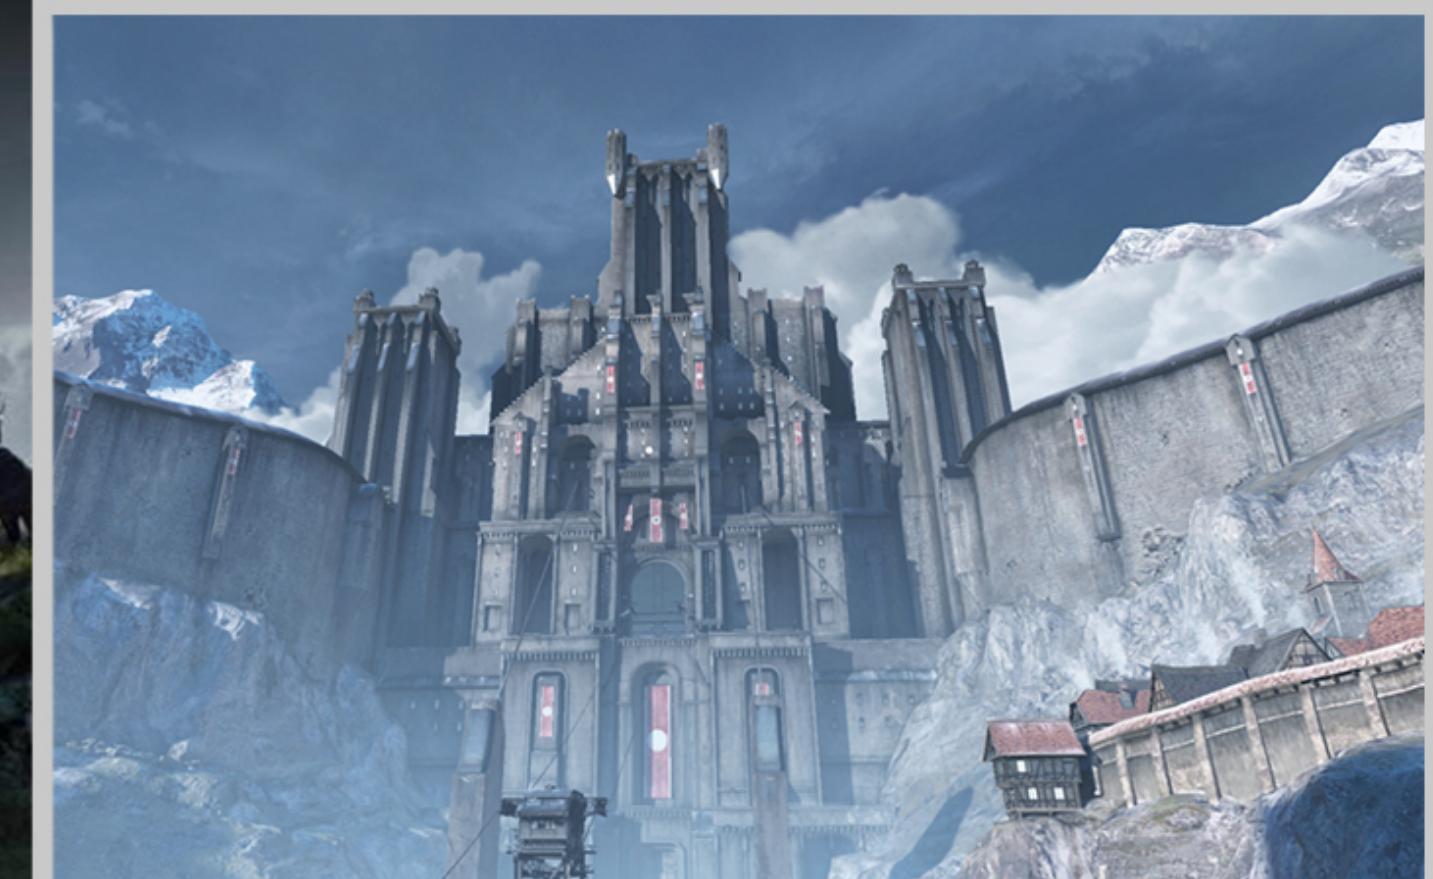

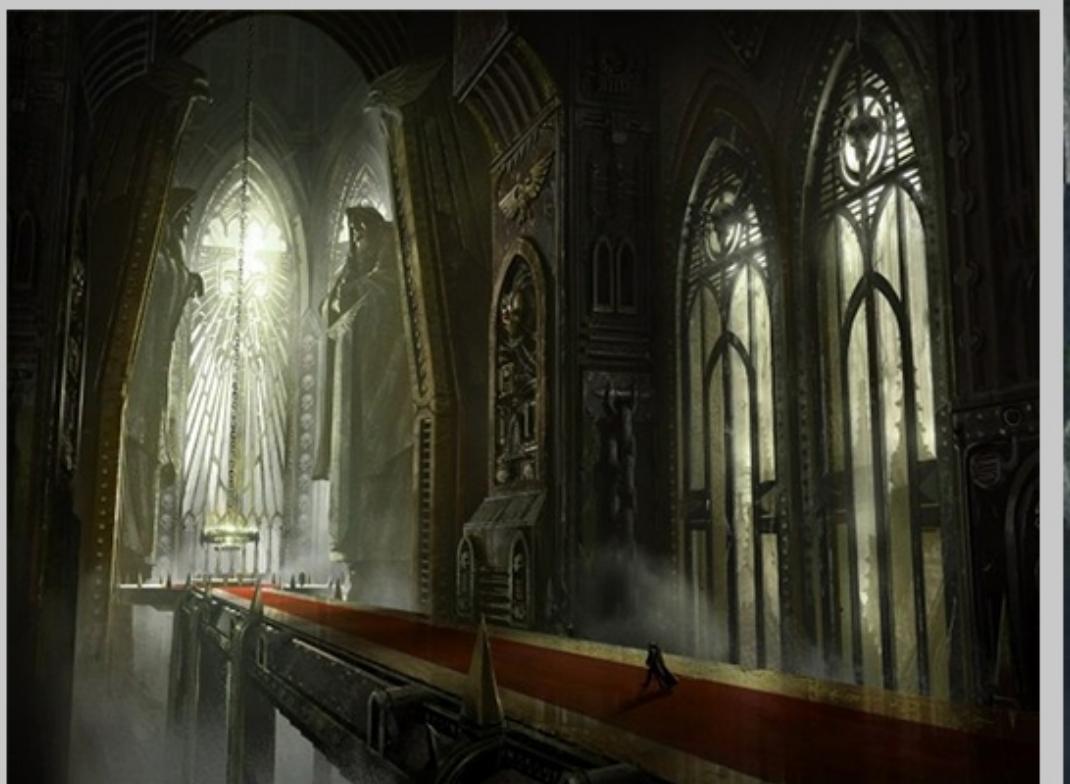

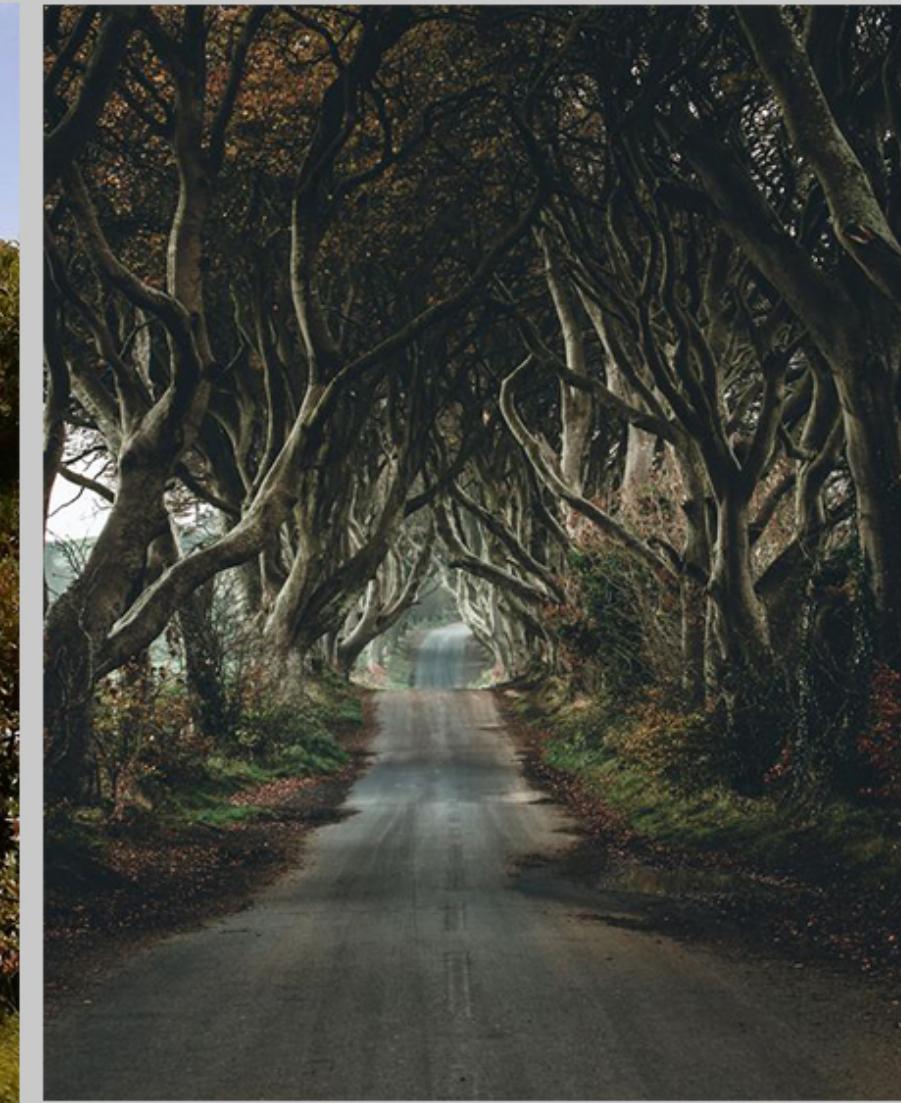

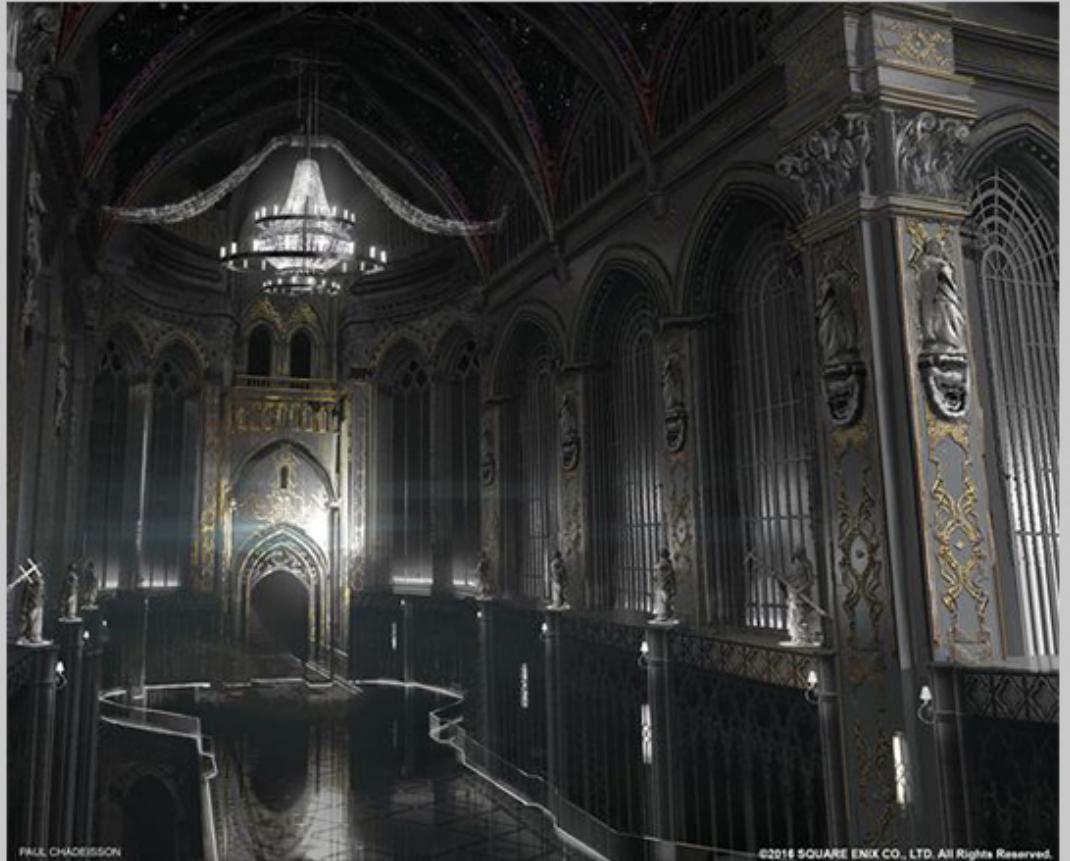

Mélangé au style médiéval/gothique, ce monde ne ressemble pas à notre société actuelle.
